WOMEN VETERAN PEER SUPPORT SERVICES

Our program strives to provide a safe and inclusive space where women veterans can openly discuss their unique needs and concerns. Through the power of shared stories and empathic support, we aim to enhance the well-being of women veterans by addressing their mental health and promote personal growth.

What is a Peer Specialist?

A certified peer specialist is a veteran with a mental health and/or substance use condition in recovery.

Peer specialists are trained and certified to assist other veterans in identifying and achieving their own self-identified life goals.

Our Peer Support Program provides services to women veterans in the following counties: Butler, Armstrong, Clarion, Lawrence, & Mercer

Services Provided:

- *Skills to empower & self-advocate*
- *Wellness & self-care*
- *Community resources*
- *Navigating the VA*
